

Yes our prices have increased but, you can still get last years price if you place your order now...
 Being cautiously confident and openly optimistic is why you should **Pack & Hold**,
 especially if you don't need mugs until later this year, here is how it works in 4 steps:

1-Order now 2-Get current pricing 3-Pay when we ship 4-Call us when you are ready

Think of it this way, if you order 48: or 96:

can ship for *Valentine's Day* can ship for *St. Patrick's Day*

can then be ready for *Mother's Day* or any other time in 2010!

Place your **Pack & Hold order before January 31st and get the old prices.**

To order you can email or call or fax us:
